## CHAIRMAN'S CORNER

Summer greetings to the members and friends of the FCA. This issue inaugurates a new appearance and format of the FCA Newsletter. Glenn Kujansuu has retired from his duties with the newsletter. Nancy Rajala has graciously agreed to accept the vacancy. Vice Chairman of the FCA Board Paul Rajala offered to do the editing. I am greatly indebted to both Nancy and Paul for stepping up to the challenge.

I would also like to thank Lois Makee for her years of service as editor of the newsletter. Glenn Kujansuu deserves a big "Thank You" for his long service to the FCA Newsletter. Not only did he spend hours assembling all the items that appeared, he selected photographs from his extensive portfolio of pictures that he had taken over the years as a professional photographer. His most recent contribution is the collage of photographs he assembled to illustrate the 45th anniversary of the FCA. If you have not viewed these photographs, please do so. You will undoubtedly see many of your dearest friends going way back to the beginning of the FCA. The displayed photographs are located on the wall of the hallway next to the gift shop.

## MAY SENIOR LUNCHEON

Finally our warm weather has arrived. Not that long ago we were watching the news with snow.

The May luncheon was fun with the usual sing-along and the sharing of friendships. The table flowers brought a touch of summer and the raffle prizes were a hit for the winners: Clarabeth Dixon, Rigmor Cuolahan, Lois Makee and yours truly. Eunice Gould, Fritz Putkela and Shirley Belttari won the candy to satisfy that sweet tooth. More sweet treats of cookies were won by Charmaine Harma-Elias, Laura Hirvela, Milda Mattila and Dagmar Malstrom. Laura Hirvela took home the nisu, Nancy Sarnar the toast and Hannah Carlson won some coffee.

Thanks again to all those who attended the luncheon. We hope to see you again in September and have a safe summer.

Respectfully, Terry and Lila Ball.

## GARDEN CLUB

What a spring we had! Water, water everywhere and yet, a week or two later, some of our gardens were bone dry. Nesting killdeer kept us at bay for a number of weeks in the West Gardens. A Baltimore oriole was seen and red-winged blackbirds have dive bombed at least one gardener too close to a nest.

The vegetable gardens are growing rapidly and we have already harvested radishes and various kinds of lettuce.

Our water collection system is complete. We can store 1000 gallons of rainwater for our gardens. A new brick pad has been installed beneath the floating copper in front of the FCA building. The bricks were donated by Fendt Building Supply.

A generous donation of nursery supplies has been received from Betty Anglin and we continue to receive garden materials from FCA members and friends. New garden helpers from the apartments are keeping us moving forward in our garden maintenance.

A visit from the Dearborn Heights Garden Club provided an opportunity to clean up our gardens and woodshop. The tour of Finlandia Gardens and the Finnish Center was successful. Our guests were treated to refreshments at the completion of their tour.

A self-guided tour pamphlet of Finlandia Gardens is available outside the front door and in the foyer of the center. Come by and enjoy Finlandia Gardens, you won't be disappointed.

## FINNISH AMERICAN SINGERS

Summer is officially here now with plenty of warm weather.

The Finnish American Singers presented their annual Spring concert on Sunday, May 1st. It was a successful event and well received by those attending. Charlotte Lytikainen sang a solo part in the song "Send Down the Rain". Our director, Henry Naasko referred to Charlotte as our Peggy Lee. Special guest performers William E. Steele on trumpet and Joseph Willard on string bass accompanied the chorus on "Love is a Song" which added a special treat to the program. The concert was well attended and videotaped by Robert and Brandon Tubek. Of Timberland Productions.

Thanks to Margaret Laurila and Betty Taipalus for preparing and serving the delicious sandwiches and desserts.

SA contingent of singers were to be traveling to Aura, Michigan to sing at the Aura Jamboree on July 16th. The FCA Soittoneakat musicians were scheduled to perform in addition to accompanying the singers.

Many thanks to all who support the Finnish American Singers of Michigan.

Gerald Malstrom

## FROM THE FCA LIBRARY

We have added the following books to our library:

**KIRKOLLINEN KALENTERI.** We have added to our collection volumes for years 1908, 1911, 1915, 1919, 1920, 1928, 1930, 1931, 1933, 1935, 1936, 1938, 1943, 1947, 1948, 1949, 1950, 1956, 1957, 1960, 1961, 1962, 1963, 1968. Among other things, these contain articles by various church members and pastors, a list of Suomi synod pastors for that year, and numerous obituaries. These are reference books only, but you are free to peruse them in our library. They are in 284.1 Su.

**LAPIN RUOKA** edited by Riitta Suomalainen. If you read Finnish, are interested in Lapland and want to know all about their food and its preparation, this book will interest you. Included are foods for special holidays and occasions, traditional foods of all kinds, and even a glossary of dialect words pertaining to food. We have shelved it in 641.509 La.

**SHORTCUT: THE SEEBERVILLE MURDERS AND THE DARK SIDE OF THE AMERICAN DREAM** by Steve Lehto. This is a sequel to **DEATH'S DOOR**. Before the tragedy at the Italian Hall in December 1913, the strike was already getting violent. Two striking miners, non-English-speaking Croatians, were shot and killed in Seeberville, near Painesdale, in broad daylight. The subsequent events, the investigation and trial, make one wonder whether we are really dealing with events in the Wild, Wild West. In this book the author also divulges the name of the person who shouted "Fire" causing the Christmas Eve disaster. A reviewer In Amazon gives this five of five stars, and writes that it "deserves the highest of compliments". The book is in 977.4 Le.

**CHRYSLER'S TURBINE CAR, THE RISE AND FALL OF DETROIT'S COOLEST CREATION** by Steve Lehto; Foreword by Jay Leno. In the early 1960's Chrysler brought out a car on which it had been working for about ten years -- a car with a jet engine. It would run on any flammable liquid -- diesel, heating oil, kerosene, tequila, even

Chanel No. 5! Just think -- if it had lived to be produced, we might have no gas price problems today! Chrysler lent the cars to over 200 people to try out free of charge for a period of three months each. Everyone was enthused by the car. Due to (then) recent federal regulations on tail pipe emissions and CAFE standards, the car was deemed too expensive to produce. All but about 6 of the cars were destroyed and the program was scrapped. Of the existing cars, some are in museums and some in private hands, one of them now belonging to Jay Leno. The author of this book interviewed most of the surviving original engineers who worked on the project, plus many of those who were chosen to "sample" the car. This book has received favorable reviews in various media, including the **WALL STREET JOURNAL** and the **NEW YORK TIMES**. It was also chosen a **MICHIGAN NOTABLE BOOK** for the year 2010. You will find it in our library in 629.22 Le.

**PILGRIMAGE TO AMERICA** by Arvi Henry Saarisuu. This is a fascinating collection of poems by an obviously gifted Finnish immigrant of the 20th century and a minister in the Finnish Lutheran Suomi Synod. Many of the poems are historical, including scenes from the Copper Country. Very interesting! Find it in 808.81 Sa.

**SUKUTUTKIJAN TIETOKIRJA (A REFERENCE BOOK FOR GENEALOGISTS)** by Sirkka Karskela. This would be a tremendous help for anyone who reads Finnish and is doing genealogy. In 929 Ka.

**SUKUTUTKIMUKSEN KÄSIKIRJA (A HANDBOOK FOR STUDYING GENEALOGY)** by Rauno Luttinen and Marjo Hypponen. Ditto for above. Also in 929 Lu.

Lillian Lehto, Librarian

P.S. My faithful library assistant, Ruth Kaarlela, is retiring due to health concerns. She is being replaced by another Ruth, Ruth Ojala. Stop in to welcome her to our group of volunteers.

## FCA BAKERS

In May, Charlotte Lytikainen, Betty Taipalus, Hannah Carlson and I began the baking for the May Finnish breakfast. It looked like an insurmountable task until Margaret Laurila and Christine Jurgensen began phoning to find helpers. Seija Usitalo and Ruth Ojala answered the call, and we were able to make the pulla and piirakka.

Two helpers are needed early at the next pulla and piirakka baking date on Wednesday, September 28th at 9:30 am. Later in the day both men and women volunteers are invited to help shape the loaves or piirakkat, bake them, package them and clean up.

Volunteers are sorely needed if we are to continue. See you there and better yet, let me know you are coming.

## SOCIALLY SPEAKING

Juhannus was a special day with the weather being just right! Many thanks to David Sharpe for getting the ribbons onto the Maypole, and Frank Gottberg for getting the permit and building the kokko, (fire). We thank Carl Aebersold for his set-up and clean-up work. Soittoniekat members Louise Hartung, Roger Hewlett, and Karin Arneson played mealtime and sing-along music.

Pearl Wanttaja, assisted by Jerry and Dagmar Malstrom, made the sloppy joes, and I made the coleslaw and purchased all of the buns. Hilka Ketola made the wonderful strawberry shortcake! Lois Makee got the hot dogs. Lois also worked with Glenn Kujansuu to put together the six composite posters of the FCA's 45-year history. Well done, Glenn and Lois!

Tarja Virtanen is chairing the entire 45th anniversary celebration. She worked along side Katja Jabonski and Hanna Hall in the kitchen and helped them serve the food. Paljon kiitoksia!

Tarja is also planning a concert to be held in the fall as part of the continuing anniversary celebration.

And most of all, thanks to the many of you who came to enjoy the day.

Kiitos,

Ilene Maki Yanke, Social Committee Chairperson
