FOR MEMBERS OF THE FINNISH CENTER ASSOCIATION

August 2008

## VOLUNTEERS NEEDED

The Finnish Center needs volunteers in the following areas:

- Opening and Closing
- Cleaning
- Inventory
- General Office

If you have time and skills, please call the center at 248-478-6939.

## PRESERVE FINNISH CULTURE

This was the goal of the founders of the Finnish Center. Little did they realize how difficult a task this would be. They were immigrants or first generation Finns and practiced Finnish culture on a daily basis. Finn foods, music, handcrafts, language, literature, arts and holiday customs were the norm for them.

Presently, this has proved more difficult for our members now because we Finns are 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> generation and more removed from our Finnish culture. We also have more nationalities in the organization than we have had in previous years.

Our Finnish roots produced great music, art, literature, dancing, crafts, food and customs. Let us set out to learn more about all things Finnish and in turn reach the goal to preserve our culture at the FCA.

I'm inviting everyone, young or old, especially you Finns in the area, to come to a meeting to share your ideas. All FCA groups, cultural, crafts, weavers, library, garden, trips, social and Nikkarintalo are encouraged to attend. We will discuss how we can collaborate to help the FCA. Soittoniekat already provides music on occasion. Many thanks to them.

Next meeting dates are August 9 and September 13 from 10 am to 2 pm.

Ruth Mannisto

## CALLING ALL ARTISTS & ART LOVERS

We are pleased to announce the first annual FCA Fall Art Fair on September 19 and 20. We will feature painters, sculptors, photographers, wood workers, jewelry makers, potters, mixed media artists, etc. This is a great opportunity for new artists to create interest in their work and for established artists to expand their customer base.

Booth rental is \$50 for a 10' x 10' space. Applications will be accepted through August 15 and can be obtained by calling the FCA. Exhibitor space is limited and a completed application does not guarantee a booth. We will make every effort to present a varied group of artists. All artwork must be original pieces created and sold by the artist. Absolutely no retail merchandise allowed. Artwork will be exhibited and available for sale Friday evening from 4-10 pm and Saturday from noon-5 pm.

This free event is open to the public and is sure to be a big hit for the FCA. Both days will feature live music and a hands on art project table for children and adults making this a fun event for the whole family. Appetizers prepared by Armitage Catering and drinks will be available for purchase.

## VOLUNTEER BARTENDERS NEEDED

As the number of events held at the FCA continues to increase, we are faced with staffing challenges. In particular, we need bartenders. If you are a member and are interested in becoming a certified bartender, please notify the FCA and plan to attend a class (date yet to be determined).

This is a fun way for members to volunteer some time and learn a new skill in the process.

We look forward to seeing you!

# OVER ON FINN DRIVE

Since our last newsletter we have had some interesting people come to visit us at the Finnish Cultural Center. Let me cover just a couple groups.

## THE FINNISH ROTARIANS ON A GROUP STUDY EXCHANGE

This group of five members represented District 1450, Republic of Finland which has 52 clubs and 1,900 members.

They are exchanging with Rotary Club District 6400 in Michigan who will have representatives going to Finland. Fortunately, the Rotarians from Dearborn told them about our Finnish Cultural Center and they wanted to come and see our center and visit with some Soumalainen. We had about 8 or 10 people here at the Center to take them around and see our hall and our membership lounge. Here are the names of our Finnish visitors and their occupations: Jorma Kajanus - consultant/entrepreneur, Virve Eronen - teacher, vocational college, Teemu Hokkanen - staff officer with Defense Forces, Mari Koivistoinen- nurse, healthcare and Katja Lintunen- architect

This was a very fine group of people from Finland. It was a pleasure to meet with them and I wish it could have been for a longer period of time. If you want to learn more about the Rotarians GSE Team Web Diary go to <http://gse1430.blogspot.com/>.

## THE INTERNATIONAL KALEVALA CONVENTION IN FARMINGTON HILLS

The Knights and Ladies of Kalevala were in town for their meeting and it was so good to have them come and visit the Finnish Center. The attendees came from parts of Canada and the United States. A word of welcome to all the delegates that were here to attend the meeting was held at the front of the Finnish Center. It was very fitting to gather at the Honko granite monument, under the two Nations flags shining brightly in the morning sun.

Both of these organizations are like so many service clubs, lodges and fraternal organizations that do so many good things to help our society of free people. Each club has a purpose or creed that states its reason for being. Most often it is for the betterment of all peo-

ple and to his or her fellow neighbor. Service clubs add so much to our society as they stimulate character, add to our stability, increase our awareness of our community and stimulate pride in doing something to serve others. When individuals live in freedom, they create a spirit of volunteerism that is generated from the heart.

Chairman

## CULTURAL COMMITTEE

We have started a project toward our cultural goal, making puppets, to relate stories from the Kalevala as well as many Finnish folk tales.

We have started to learn how to make puppets. Our next steps include how to work the puppet, build a stage and create scenery.

Hilkka Ketola, Carl Aebersold and Ruth Mannisto introduced the puppets they made at Vappu. We hope to tell stories of from the Kalevala, Moomin and Finn folk tales using puppets. This is a new venture to show our Finnish culture in a fun way.

This will require many different hands, both young and old. If interested, call the FCA to offer your talents and we can make puppets together. We need all kinds of help to get this project off the ground. I know we Finns can do this!

## FINLAND TODAY

First, something new is going on in Vaasa, Finland which may affect the whole world. The world's first residential energy system based on landfill gases will go on line in Vaasa. It is a fuel cell system which generates electricity and heat. The fuel cells will use methane gas from a garbage dump to provide power for about 40 neighborhood homes.

The fuel cell developed by Wartsila Power is the first of its kind in the world. Wartsila is a major supplier of power plants and ship engines. Wartsila has plans to use the fuel cell technology on ships to provide auxiliary power. The same fuel cell technology can harness power from the manure piles on farms.

Metso has signed an agreement with GE Energy to acquire GE's Lachine Main Plant, heavy fabrication and machining facility near Montreal. The facility will be integrated into Metso Minerals and Mining business line.

Metso, headquartered in Helsinki, is an international technology corporation that serves the pulp and paper industry, rock and mineral processing, and power generation. Last year, Metso had operations in 50 countries, employing about 27,000 people with sales over \$9.5 billion. One of the companies forming today's Metso is Nordberg Manufacturing Co, founded in Milwaukee in 1889 by Finnish born immigrant, Bruno Nordberg.

A private hospital (Lasaretti) in Kuopio catering to Chinese patients? Apparently so. The hospital will be specializing in heart bypass operations and plastic surgery for which there are few treatment centers in China. The patients from China will be flown to Finland mainly from Beijing and Shanghai. Lasaretti will also begin to train Chinese doctors and nurses.

The beginning of July marks the start of military training for 14,000 draftees in Finland. The new conscripts will begin two months of basic training. Some of the draftees will be chosen for leadership and specialty training. The draftees will serve for six or nine months in the army, navy, air force or the border guards. Those chosen to be officers will serve for one year.

The European Space Agency had announced that they were looking for some new astronauts, four to be exact. There were 8,400 applicants, including over 300

from Finland. The selection process has narrowed the applicants to a "few", in which there are still Finns. The successful 4 astronauts will be used on flights to the International Space Station.

This year 160,000 students have applied for attendance at a Finnish university, college, or a technical institute. Of these, about 40% will be accepted. Also, about 30,000 of the applicants were from foreign countries, and about two-thirds of them applied for a technical institute. 57% of the applicants were women. As calculated in dollars, Finland has 26,000 millionaires. Seems quite a bit, but compared to the other Nordic countries, Finland is at the bottom. Norway has 62,000 millionaires, Sweden 50,000 and Denmark 36,000.

Also the Helsinki Cup youth soccer tournament took place in Finland at the beginning of July. The tournament started in 1976 with teams from 5 countries. This year the competition included 852 teams from 20 countries with about 17,000 youth soccer players.

At the Finnish Accordion Championships, which are held at the Sata-Hame Soi Festival each year, the Golden and Silver awards were announced. This year's Golden Accordion award winner was Ukko-Pekka Yliranta from Kitila. The Silver Accordion prize is given to accordion players 10 years old or younger. This year's winner is six year old Viljami Morander from Somerniemi.

And finally, One Sunday morning, Pastor Kempainen noticed little Toivo standing in the foyer of the church staring up at a large plaque. It was covered with names with small American flags mounted on either side of it.

Toivo had been staring at the plaque for some time, so the Pastor walked up, stood beside the little boy, and said quietly, "Good morning Toivo."

"Good morning Pastor", he replied, still focused on the plaque.

"Pastor, what is this?" asked Toivo.

"Well, son, it's a memorial to all the young men and women who died in the service."

Soberly, they just stood together, staring at the large plaque.

Finally, little Toivo asked, voice barely audible and trembling with fear, "Which service, the 9:00 or the 10:30?"

## FINNISH AMERICAN SINGERS

On June 8th, many of our singers traveled to Oak Park to participate in a combined concert with the Zamir Chorale of Metropolitan Detroit. We enjoyed very much singing three of our own selections, plus three in combination with the Zamir singers. The songs were those of Jewish composers who influenced Broadway and popular music.

On July 22, some of us traveled by a Bianco tour bus to Duluth's FinnFest 2008. There we sang twice on July 24, one being a full 45 minute concert, and the other a 20 minute concert. Then, Tarja Halonen, President of Finland, spoke on July 25.

The return home included travel through Thunder Bay, Ontario and other towns on the northern shore of Lake Superior.

Anyone who enjoys singing is welcome to join us Mondays from 7-9 pm beginning the first Monday after Labor Day.

## WOMEN'S CLUB

We will resume Pulla/Nisu baking on the 4th Wednesday of the month beginning in September.

We thank these persons for baking on May 28:

Lila Ball, Dagnie Carlson, Hannah Carlson, Ruth Kaarlela, Edith Raski, Nancy Sannar, Norm McCue and Ilene Yanke.

We sold half of the loaves that day with all proceeds going to the FCA. Special thanks to those who purchase, and to Edith Raski who reports all of our financial records to the FCA.

# FROM THE FCA LIBRARY

On June 9 we completed our inventory of the non-fiction section of our library, and went home very discouraged. It seems that there are people who have no respect for our library or the work we put into it. Although we have posted rules for the proper procedure for borrowing books, there appear to be people unwilling to follow those rules, for we found several books missing, but no record of who has "borrowed" them. The most distressing loss is the book EERO SAARINEN by Jane Merkel, purchased in March, 2007, cost \$75.00. The proper procedure for borrowing the book would have been to sign the card in the pocket at the back of the book, leaving it in the box marked "Please leave cards here." If anyone knows the whereabouts of this book, please see that it is returned to the Finnish Center. We cannot afford to purchase a replacement, and there are other people who are also interested in Eero Saarinen and his work.

Also, still missing during this inventory, as they were during the prior inventory, are six books having to do with the history of various Michigan towns. Specifically, missing are:

- BARAGALAND CENTENNIAL KALEVA, 1900-1975
- VILLAGE OF CALUMET, MICHIGAN SOUVENIR CENTENNIAL BOOK, 1875-1975
- YESTERDAY'S DREAMS, UPPER MICHIGAN MEMORIES
- COPPER COUNTRY HISTORY, 3000B.C.-1980
- CALUMET COPPER AND PEOPLE; HISTORY OF THE MICHIGAN MINING COMMUNITY, 1864-1970

Please look around in your home libraries or wherever books might have been stashed and see whether any of these books might have found their way into your home. These are valuable books to anyone interested in the history of the Michigan, and especially the Upper Peninsula. Most of them cannot be replaced. Their return would be greatly appreciated!

Lillian Lehto, Librarian

## SOCIALLY SPEAKING

Thinking back to the Mother's Day Brunch, a pleasant story comes to mind. Helen Lampi invites her family to join her at this annual event, taking up an entire table. Her great-granddaughter, Amelia Lampi, was present for the third time, even though she was not yet three years old. When her mother was expecting Amelia, she attended the brunch so we agreed that Amelia was present. As another of our members said, "Talk about a lifetime member!"

Armitage again presented a fine array of food enjoyed by all.

We are in the middle of summer and will resume events in Fall.

Kiitos,  
Ilene Maki Yanke, Social

## GARDEN CLUB

The Garden Club members have been hard at work all summer weeding, mulching, dividing, and planting perennials and annuals in preparation for the review by the Farmington Hills Beautification Committee this month. We have also submitted plans to the FCA Board for a pergola to be constructed in the west lot in the Wedding Circle across from the bridge.

In fact we have had the opportunity to talk to a few interested brides who would like to utilize this area for some of their wedding photographs. We realize that more and more couples look at alternative sites for weddings as many are not affiliated with a particular church. A structure such as a pergola gives them the opportunity to have a ceremony outside in a lovely setting and then move directly inside the Finnish Center for their reception. Funding for the pergola would come from the Garden Club's memorial funds and would be our contribution to the Center to be used for the pleasure of all members and guests.

We are also in the process of installing a ground support for the maypole for next year's May Day celebration. Shortly we should also have a list with photographs and description of all the bird species we have noticed in and around the FCA. We may have to add a non-avian list to include other wildlife such as rabbits, fox, and the groundhogs that have been reeking havoc in our vegetable gardens.

If you have a few hours to spare we are always looking for an extra pair of hands to help out in the gardens. You will find us every Monday morning as well as several other days during the week. Monthly meetings are the first Monday of each month at 10 am.

If you have any questions you may contact me at [gaylegullen@comcast.net](mailto:gaylegullen@comcast.net) or (734) 546-5190.
