FOR MEMBERS OF THE FINNISH CENTER ASSOCIATION

October 2021

## CHAIRMAN'S CORNER

October is here with leaves fluttering and falling to the ground in an array of colors. What a beautiful time of the year for a walk or to sit in our beautiful gardens with the fall flowers. We should all be grateful we have such a beautiful place to spend some leisure time for our enjoyment.

Our latest COVID policy will be ready shortly and we will post for all to read. It was put together with much care in hopes we would be a little safer. The Board of Trustees have put a lot of thought into this policy and I believe they have done a good job. Be sure to read in this newsletter.

Our day with Finlandia Foundation National was very productive. They gave us some new ideas to try to bring more people into the Finnish Center and for those who were involved in any way it brought back some enthusiasm that we sometimes lose.

I will be cutting my hours a bit at the Finnish Center as my time has been consumed with everything involved in running this wonderful place. I will still be around and am always available by phone. Just have to do a few things I have been putting off for myself and my family. We do need someone to answer the phone on Wednesdays from 11-3 and to take some sales at the Gift Shop. If you are able to do this, please give me a call at (248) 895-3231 or (248) 478-6939. Even an hour helps. Thank you.

Remember to come and enjoy the Scandinavian Market on November 13, 2021. Lots of good foods to enjoy and many special crafts to buy. Please stop in at the Gift Shop to see what is new! Everyone will be happy to see you. Our safety restrictions will be observed!

Remember we have been through a lot these last 2 years and I am sure it is going to get better. Let's all work together to make this an even better place. Everyone is valuable at the Finnish Center and everyone is important. Let our comments be positive ones. This place has an amazing history so let's all do our best to work together. I have found, in the time I have been here, that we have some really great people. All of us have one major thing in common: we are Finns and that is pretty Special!!

## CRAFTING AT THE CENTER

A special event is coming to The Finnish Center. Would you like to make a small artistic gift for the holidays or maybe a little something special for yourself?

We have the perfect idea:

Vickie Kimler is coming to the Finnish Center to show you how to make beautiful letters, **November 6 and 7, 2021, 9 am - 12 noon.**

Cost for the event is \$5.00 which covers your supplies. All health and safety policies will be observed. Refunds will be given should we have to cancel if health conditions require the closing of the FCA.

Here are a few samples of what you could do:

## SALLA TO HOST THE 2032 OLYMPICS?

The Finnish municipality of Salla, the combined size of Washtenaw, Wayne, and Oakland counties, with a population just slightly greater than our local Village of Franklin, is north of the Arctic Circle near the Russian border. The town, until recently, was noted as the coldest town in Finland.

Noting the rising temperatures across the globe, the mayor of Salla, Erkki Parkkinen, launched a bid in January, 2021, to host the 2032 Olympics: "So, there was this crazy idea to host the *Summer Games* in one of the coldest towns on the planet."

The real intent of the bid is to raise awareness of climate change and highlight the threat posed to Salla and its subarctic ecosystem, which dependent on low temperatures for most of the year. Said mayor Parkkinen, "Our intention here is clear: we want to keep Salla as it is and our winters cold and full of snow."

## FINNISH AMERICAN SINGERS CHRISTMAS CONCERT

## FAREWELL TO LILLIAN LEHTO

Many days have already passed, then weeks and months, when we wake up every morning to hear how many people have died. Many members of the FCA have been ill and rallied and recovered to stay with the continued course of the pandemic. Days and days of remembering that we have SISU and more fortitude as the days seem to pass too fast and at other times too slowly.

I'm remembering my move to Tapiola Village, adjacent to the FCA, meeting many new people. Lillian Lehto called me to see if I would like to join her on Mondays to care for the library. I was more than eager to respond to such a friendly invitation. We immediately began to bring forth our family life and what was going on here at the FCA.

Lillian opened many doors for me, the most available was Don Autio, and the book club on the last Monday of the month with great presentations of Finnish history, and our following of immigrant parents or grandparents.

Lillian and I came from completely different backgrounds, but our lives came together in many places because we raised our children during the same time period (50's to 70's). Lillian had such an extensive education, I couldn't conceive of anyone raising six boys and doing the grade school teaching, and Sunday school, linguistics, library science and developing seamstress status. I quickly began asking questions on a variety of subjects and many times lost concentration when I realized how limited my education was compared to Lillian's and many other retired teachers who are a large part of our membership.

The best example of family experience in Lillian's life was her grandpa Eelu's poetry. She had very little time to spend with him, as he died when she was little, finding his writings and needing to know how much of his life was spent printing and distributing his newsletters. He wrote about the sinking of the Titanic and the 1913 strike of the mines in the copper country.

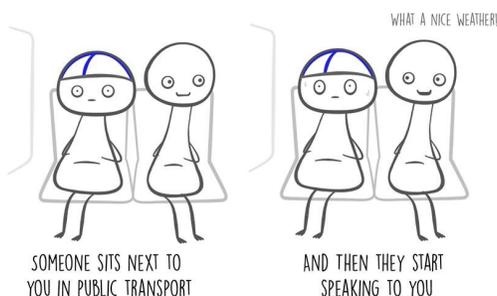

We can't even imagine the strong incentive it was for Lillian to research her roots back to Finland when grandpa Eelu was a mere child and began writing his own messages and delivering them on his bicycle.

The loss of someone like Lillian who was in our midst and kept herself so up on the current news, etc. will hopefully spur us to more social activities and cooperation. We will miss her and so many others. Paul and Lillian are role models for the rest of us. Age makes no difference if we can bring ourselves together for the good of those who have a long future ahead.

Lillian will always be a "now" person. When you think of her read *Rascal's Craft* and watch *60 Minutes*. She would wish it so.
